

Funzilla Fest 2019

20-22 September

Casa dell Cultura Villa De Sanctis / Rome / Italy

APPLICATION FORM AND HOW TO PARTICIPATE

The filled form must be sent by email to info@funzillafest.com

Funzilla is a festival dedicated to photographic fanzines, the participation is free.

You can join the festival if your zines accord to the following:

- the zines must have mainly a photographic content
- the zines must be a self-production
- they have to be sold at a low price
- they have been published, preferably, in the last year

The presence of the authors during the 3 days of the festival is encouraged, when possible. Anyway, if you are unable to come to Rome you can send your fanzines by post.

If you send us the zines, we will then take care of the exhibit and sale. The editions (**maximum 5 copies per title**) must be received no later than **1 September** at the following address:

*Alessandro Ciccarelli
Via Dogana Vecchia 5
00186 Roma - ITALY*

Funzilla doesn't take any percentage on sales: the cash will be send to the authors only via **PayPal** (commission PayPal is on authors) in the weeks following the festival.

If there are any unsold copies, they will be sent back by registered air mail (shipping costs charged to the author) in the weeks following the festival.

Not claimed zines within the current year will not be returned.

Together with the completed form, we ask you to send us by email 3-4 jpg images of the fanzines (web resolution: max 1024px long side), a short statement describing your production(s) and a short biography. The material will be used to promote your participation in the festival
